Arena 2026 Badminton Tournament Rulebook

Tournament: Arena 2026
Organizer: Physical Education Department
Venue: Indoor Badminton Hall
Dates: 16th-18th October 2026

1. Purpose and scope

Arena 2026 is an inter-departmental badminton tournament. This rulebook covers singles and doubles events. The same playing rules and match formats apply to men's and women's events.

Matches will follow the Badminton World Federation's Laws of Badminton.

2. Events and eligibility

The tournament will offer:

- Men's Singles
- Women's Singles
- Men's Doubles
- Women's Doubles

Each participant may enter one singles event and one doubles event. Each doubles pair must represent the same department. Participants must register by the deadline and provide the details required before the deadline. The tournament committee may verify department affiliation and eligibility.

3. Tournament format

The committee will announce the draw, match schedule, and format before play begins. Depending on the number of entries and available court time, events will follow using a knockout format.

4. Match format and scoring

Rally scoring applies in every round: a point is awarded after each rally. The same format applies to all men's and women's singles and doubles events.

Earlier rounds: through the round of 16

- Each match is one game to 21 points.

- A player or pair must win by two points.
- At 29–29, the side that scores the 30th point wins the game.

Quarter-finals, semi-finals, and final

- Each match is best of three games, with each game played to 15 points.
- A player or pair must win a game by two points.
- At 20–20, the side that scores the 21st point wins the game.
- Players or pairs change ends after each game and, in a deciding third game, when the leading side reaches 8 points.

5. Intervals

Take up to 60 seconds at 11 points in earlier rounds, or 8 points from the quarter-finals onward. Allow up to two minutes between games.

6. Toss and warm-up

The toss winner chooses to serve, receive, or select an end; the opponent makes the remaining choice. Warm-up is limited to two minutes.

7. Officials

Assigned officials make fault and line calls. Without an official, players must make fair calls and resolve close calls respectfully.

10. Conduct

Arrive 15 minutes before your match. Wear suitable sports clothing and non-marking shoes, use approved shuttlecocks, and follow officials' instructions. Misconduct may result in penalties or disqualification.

11. Late arrival, withdrawal, and injury

Players not ready within 15 minutes of being called may forfeit. A player unable to continue due to injury or illness loses the match. The committee may allow a brief medical break.

12. Decisions and Awards

Raise concerns promptly with the official or tournament desk. The committee's decisions on eligibility, scheduling, and disputes are final. Awards will be given to winners and runners-up, subject to the number of entries.
